The person designated as the “outing coordinator” will be the **only** person authorized to make changes, additions and/or deletions for the group. As coordinator the responsibilities are as follows:

- 1) Provide the club with an accurate number of participants in accordance with the guidelines set out in the “OUTING RESERVATION AND CONTRACT.” Additions and deletions are not allowed once the final estimate has been provided.
- 2) Provide the club with a list of participants and foursomes at least 3 days prior so that we may prepare hole assignments and/or tee times in advance of the event. In addition it is best to rate your groups so that quicker groups may be placed in the front of the field.
- 3) Have the players arrive at the course at least **one-hour** before the scheduled start of the event.
- 4) Pay for the function. We will not accept functions that require the individual players to pay. The coordinator must make arrangements for payment and make payment according to the contract.
